Write your final composition here.

When I was as a raindrop I was falling down from the sky. As I almost reach the ground I was ate by a deer. Now I go down His throat I see something silver it was it was in the bold. That's a bullet. Then I flet like it was 999°. A ugly small went into my costil. I was being cook'd. Just before I was put into another body I jumad out hit the red ground. I was in a million pieces so I regenatorated into the raindrop. I staked out the door. I made on to the big green grass. There were a whole lot more raindrop named Adrian to. There go that ugly smell agen This time it was fire coming from that house I cone eased. I ran so fast that I flet like supper man. I turned around and I saw a lady cameing out with a bady. I am now 11 years old and it is my birthday. I now travelizing to see the Big raindrop so I become a person and on the way its a sake I hide Behind a tree. The sake was flooded There it was The Big raindrop I said to make a wish. Then I thought about the people that tried to eat me, and that was in the fire so I made a wish I bieck at the bld house sene I was sd great
